Tenuta Sette Ponti

# Giovanna Moretti

## *Co-Founder*

After earning a degree in foreign languages and literature from the University of Siena, Giovanna pursued her career for more than 15 years for the renowned Sotheby's.

Later in the 1990's she founded Tenuta Sette Ponti together with her brother Antonio. Together they carry on the focus of quality that their father instilled in them. This is evident in all things Tenuta Sette Ponti.

Giovanna works with Antonio on everyday operations including tastings, hospitality and cooking classes.
