

LOUIS JADOT CÔTE D'OR BURGUNDIES

# Volnay Clos de la Barre Premier Cru 2024

*France /* Burgundy

This is a small contiguous walled terroir just below the village center, on a mild slope with consistent red clay subsoils. The wines tend to be fleshy and substantial with a slightly darker fruit component while still easily fitting within the supple elegance which is the Volnay character.

## HARVEST NOTE

The 2024 vintage was challenging and ultimately saw severely reduced yields due to excessive rainfall with warm temperatures, leading to poor flowering and uneven fruit set and pressure from downy mildew. Low lying parcels suffered the most. Harvest began on September 13th and the yields, while small, arrived in good condition.

## TASTING NOTE

This terroir expresses a bit more muscular intensity due to the position on the slope and red clay soils. The graceful entry reflects initial aromas of red fruit supported by mossy and autumn leaf nuances.
