LOUIS JADOT CÔTE D'OR BURGUNDIES
Bâtard-Montrachet Grand Cru 2018

REGION: France / Burgundy / Côte de Beaune Grands Crus
GRAPES: 100% Chardonnay

Located in the Côte des Blancs region of the Côte de Beaune, Bâtard-Montrachet is the largest of the five Grands Crus of the Côte des Blancs, with eastern sun exposure and chalky soil. This Chardonnay wine is fermented and aged for an average of 18 months in oak barrels.

HARVEST NOTE
This was a somewhat turbulent growing season. Lack of soil moisture and a poor fruit set diminished the harvest volumes.

TASTING NOTE
Full-bodied, rich and powerful, Bâtard-Montrachet has intense aromas and flavors of almonds, apple, white flowers and spices, with incredible length. This wine will develop favorably for 10 to 20 years after the vintage.
