CHÂTEAU LA NERTHE

Les Granières Châteauneuf-du-Pape 2023

94 Points

A compelling, jammy nose of brambly fruit leather, rose petal, and wild thyme comes through in a very pure expression. Lively acidity keeps this wine effortless, its layers of dark, fruited bramble melding into a fine layer of pulverized hot stones. The tannins melt into the wine, making this expression easy to enjoy now. Graceful and approachable.
