NARDI

Brunello di Montalcino DOCG 2022

2022

Points

The 2022 Brunello di Montalcino mixes mentholated blackberries with sage and a dusting of spice as it evolves in the glass. It is silky-smooth, quite seamless in feel, with a pretty inner sweetness and ripe red berry fruits. Hints of mocha linger, framed by soft tannins as the 2022 finishes a bit short yet fresh.
