LOUIS JADOT CÔTE D'OR BURGUNDIES

Beaune Clos des Ursules Premier Cru 2023

96 Points

There’s a lovely depth of fruit here with lifted, perfumed aromas of cherries, rose petals, blood oranges, hibiscus and terra-cotta. The medium-bodied palate has a silky, rounded mouthfeel, supported by fine-grained tannins. A great balance between freshness and power, offering immediate drinking pleasure and good aging potential.
