Aroha Pinot Noir 2023

95 Points

The 2023 Aroha Pinot Noir is so elegant and fine. Tasted alongside the Te Muna Road Pinot Noir from the 2024 vintage (both wines sourced from the same vineyard), this appears ethereal and delicate, with dried rose petals and caper brine. 2023 might have brought challenges due to the water and the cold temperatures, however none of the struggles are evident in this glass. What a gorgeous wine. It is saline and fresh, detailed and lingering, highly recommended.
