LOUIS JADOT CÔTE D'OR BURGUNDIES

Beaune Clos des Ursules Premier Cru 2024

91-93 Points

The 2024 Beaune Clos des Ursules 1er Cru has a delightful, well-defined and quite complex bouquet with a little more florality and mineralité than the Boucherottes or Cras. Very focused. The palate is very well balanced with just the right amount of acidity. A mixture of red and black fruit laced with white pepper and desiccated orange peel, it feels assured on the finish. A worthy follow-up to the excellent 2023.
