LOUIS JADOT CÔTE D'OR BURGUNDIES

Beaune Grèves le Clos Premier Cru Blanc 2024

93 Points

Seduces with delicate aromas of ripe pear, chalky minerals and acacia flowers. The texture balances acidity with good extract, allowing it to linger on the palate. Everything is in the right place with this elegant white Beaune. The grapes are from just over a hectare at the base of Beaune Grèves; they are gently pressed and fermented on native yeasts in barrel before ageing in barrel (25% new).
