Armagnac: The Vital Spirit Of Gascony

Chateau de Larressingle, located in the Ténarèze AOC of Armagnac, is a fine place to begin your explanation of this brandy category. It is a relatively small producer, but has good distribution throughout the U.S., as it is marketed by the import house of Kobrand Wine & Spirits. It's good, solid, earthy Armagnac, a blend of choice brandies from both Bas-Armagnac and Ténarèze, great for sipping, enjoying with coffee after a good meal, or to inspire a great cocktail.
