Kidnappers Vineyard Chardonnay 2017

90+ POINTS

The 2017 Kidnappers Chardonnay has a slightly conservative bouquet that needs encouragement from the glass to reveal its scents of apple blossom, orange rind and hints of tropical fruit. The palate has more "get up and go" than the aromatics, underpinned by a fine thread of acidity laced through the orange zest and light mango notes. The surprisingly spicy, lively finish beckons you back for the next sip.
