Alpha M 2014

91 POINTS

The showy and perfumed 2014 Alpha M is unmistakably from Chile, with those balsamic, minty and floral aromas so unlike Bordeaux, even if it's a Cabernet-based blend with 10% Cabernet Franc and 5% each Merlot and Petit Verdot. These wines routinely reach 15% alcohol, retain three or more grams of residual sugar and are aged in new oak barrels for 18 months. Ripe, big, round, lush and oaky, for fans of the style.
