

LOUIS JADOT CÔTE D'OR BURGUNDIES

Corton-Pougets Grand Cru 2010

95+ POINTS

Medium red with a faint suggestion of amber at the rim. Wonderfully juicy, savory and tactile, showing outstanding intensity and cut, with the wine's aromatic treble notes of red berries, spices and rose petal complicated by subtle soil tones. With its near-perfect balance and tautness, this wine has great potential to fill out while maintaining its energy.
