

LOUIS JADOT CÔTE D'OR BURGUNDIES

Corton-Pougets Grand Cru 2002

95 POINTS

Good medium-deep color, showing the faintest beginning of amber. High-pitched and refined on the nose, conveying remarkably youthful scents of raspberry, cranberry, rose petal, blood orange and mint. Finishes vibrant, minerally and gripping, with subtle salinity, sneaky saline persistence, and seriously firm tannins that avoid dryness.
