ALTAMANA

Grande Reserve Malbec 2015

A

This is a great example of what Malbec can taste like when taken care of. Medium bodied and lean with a nice, savory fruit depth of herbs, cracked black pepper and olives along with raspberry and marinated cherries, the wine has a great balance between umami, there is a hint of cigar box, and fruit forwardness, with well integrated tannins. If you are looking to take a break from the overpowering character of Argentinian Malbecs, give this one a try and fire up the grill with some lean meats.
