ALTAMANA

Single Vineyard Constanza Malbec 2015

A

This wine is deep, dark and elegant with notable notes of black olive, marinated cherries and a hint of savory balsamic. The tannin is prominent, but very well integrated, giving the wine a nice backbone, holding up all of the characteristics and keeping the balance as the bright acidity runs through, livening up the wine. If you love Malbec this is a must try for a special occasion.
