

# *International* WINE REPORT

## MULLAN ROAD CELLARS

*Columbia Valley Red Wine 2016*

# 92 POINTS

The 2016 Mullan Road Columbia Valley Red Wine is a lovely showing in this vintage. It begins with inviting aromas of red and dark currants, which combine with spices, tobacco and forest herbs. Medium to full-bodied with a wonderful velvety texture and nicely polished tannins framing the red and dark fruits. This is showing beautifully now.
