

CAKEBREAD

Benchland Select Cabernet Sauvignon 2021

93 Points

Cakebread's 2021 Cabernet Sauvignon
Benchland Select blends five clones from
two different vineyards to yield bold scents
of black cherries, cassis and mocha but also
some redder berries. It's medium to fullbodied, edging just past 14% alcohol while
still seeming generous and silky in feel,
finishing long and harmonious, with a
dusting of fine-grained tannins.
