

Craggy Range

Terry and Mary Peabody *Owners*

Craggy Range is very much a family investment for the Peabodys, made possible by the extraordinary success of Terry Peabody as a businessman, with worldwide interests in the hospitality business and in other, unrelated fields.

Terry Peabody's international business experience informs his direction of Craggy Range Winery.

Terry plays an active role in providing the direction and resources for Craggy Range to be successful, and brings enormous business acumen to the winery. Mary is actively involved in the design side of the business, and her hospitality experience in Canada and Australia informs the success of Terroir, the restaurant at Craggy Range. Terry and Mary are Australian residents and split their time between their homes in Brisbane, Australia; Havelock, North New Zealand; and Whistler, Canada.
