

LOUIS JADOT CÔTE D'OR BURGUNDIES

Beaune Avaux Premier Cru 2021

92 Points

Lifted and high-toned, the nose offers wild strawberry, red cherry, fresh earth, and delicate floral overtones. The palate is pretty and expressive, though best for near-term drinking, showing rhubarb, wild thyme, white pepper, and fresh mushroom alongside bright strawberry fruit. Great acidity and body lend energy, though its charm lies in immediacy rather than longevity. Approachable and highly enjoyable now.
