Sauvignon Blanc 2025

90 Points

The 2025 Sauvignon Blanc is spicy to the core, with a burst of wild herbs, musky green citrus and sea air that form its intense bouquet. This is juicy and soft-textured, blending lime-laced orchard fruits with a cascade of minerals and spice. Fresh, pleasantly tense yet a bit short, the 2025 does its job well by calling the taster back to the glass for more.
