

MICHELE CHIARLO

Cerequio Barolo DOCG 2016

94 POINTS

The 2016 Barolo Cerequio is a big, powerful wine. Chiarlo has chosen to bring out a bit more power and density than Cerequio seems naturally predisposed to, but it all works well. Black cherry, spice, leather, licorice and menthol all flesh out with some coaxing. The new oak tannins are pushed to the maximum, but it all works.
