LOUIS JADOT CÔTE D'OR BURGUNDIES

Corton-Pougets Grand Cru 2018

95 POINTS

A distinct whiff of Amarena fleets across this wine's nose before senses fill with the ripeness of black cherry. Cherry richness, sometimes with an overtone of chocolate, fills the generous but defined palate where velvety tannins are firm underneath their supple surface. They still crackle but reveal ample freshness and verve on the rich, muscular and toned body. Aromatic tenderness returns on the finish.
