

ZIND-HUMBRECHT

Muscat Goldert Grand Cru 2018

94 POINTS

Fragrant yet tightly focused, this captures the grapey aspect of this grape, but also offers delightful mandarin, nectarine and blossom notes. The concentrated yet lively palate has a riesling-like texture, the minerals building beautifully on the long finish. A rare dry muscat with aging potential. From biodynamically grown grapes.

James Suckling - November 10, 2020
