

ZIND-HUMBRECHT

Riesling Roche Granitique 2018

94 POINTS

Sleek and very minerally, this is a dry riesling for fans of the grape, or anyone who just likes intensely mineral dry whites. Lots of smoke and flint with some dried lemon peel. Very long, quite steely finish that's bursting with energy. From biodynamically grown grapes.

James Suckling - November 10, 2020
