

ZIND-HUMBRECHT

Riesling Brand Grand Cru 2018

97 POINTS

Although only just beginning to open up, this is already a breathtakingly vibrant dry white that marries perfectly ripe, fresh-pineapple character with enormous minerality dominating the stunningly long and precise finish. In spite of all this intensity, the wine has an almost weightless feel to it. Did somebody say langoustines? From biodynamically grown grapes.

James Suckling - November 10, 2020
