

ZIND-HUMBRECHT

Pinot Gris Rotenberg 2018

95 POINTS

With great yellow fruit, ranging from ripe peach to super ripe mango, this dry pinot gris manages to stay just the right side of opulence, thanks to its vibrant acidity, giving it almost riesling-like elegance, linearity and minerality at the driving finish, which is truly remarkable for this grape. From biodynamically grown grapes.

James Suckling - November 10, 2020
