PIGHIN

Sauvignon Blanc Friuli DOC 2019

93 POINTS

The flatlands of Friuli Grave in northeast Italy are admired for their gravelly soils, and Pighin is known for producing fine wines such as this standout Sauvignon Blanc. Aromas of vanilla, chamomile, tangerine, and pineapple are well defined. Seasoned with dried herbs, lemon curd broadens the palate and adds color to fine acidity and minerality.

Meridith May - January 04, 2021
