

The Wine Odyssey

AIX

Rosé 2020

90 POINTS

The 2020 Aix is so pale it could be mistaken for a skin-macerated white wine. And its ethereal body is equally deceptive as it releases pungent citrus and cilantro aromas and flavors. The Maison Saint Aix vineyards for this delicious rose' are near Aix-en-Provence, a historic city in the picturesque Provence region.

John Foy - August 26, 2021
