RÉSONANCE

Résonance Vineyard Pinot Noir 2018

93+ POINTS

The wine is quite black fruity in personality in the 2018 vintage, delivering scents of black plums, dark berries, bitter chocolate, a complex base of soil tones, a touch of balsam bough, woodsmoke and a deft foundation of new oak. On the palate the wine is deep, full-bodied, focused and tangy, with a superb core of fruit, excellent soil undertow and definition, ripe, buried tannins and a very long, complex and marvelously balanced finish.
