Tutto Mio was born out of the rich culinary and wine-making traditions of the Emilia Romagna region in Northern Italy, which is the birthplace of parmesan, prosciutto & balsamic vinegar. Made with native grapes harvested from clay and gravel soils, the wines undergo long skin contact before fermentation. The result is a style of lightly sparkling, fruit forward and delicately sweet red that is typical of the region.

TASTING NOTE

Bursting with sweet, ripe red fruit flavors, featuring notes of cherry, strawberry and blackberry. The delicate sweetness is combined with a light, refreshing fizz, all at just 7.5% alcohol by volume.
