CRAGGY RANGE

Sophia Gimblett Gravels Vineyard 2021

95 Points

There’s an unmistakably minty, dried herbal edge, which, when combined with leafy black currant and fleshy plum, makes for an evocative, winter-warming aroma profile. There’s stuffing to the palate, the plummy fruit, graphite and spiced tannins fill the mouth, yet it manages a light breezy feel, too, thanks to a cool edge of acidity.
