

## **BISERNO**

*Il Pino di Biserno 2021*

# 95 Points

Very bright and focused with al-dente berry character on the nose, as well as orange-peel and violet aromas, following through to a medium body with ultra-fine tannins that are polished and so long. Racy at the end. Some crunchiness. So delicious now.

**James Suckling** - August 19, 2024
