

NARDI

Rosso di Montalcino DOC 2022

90 Points

The 2022 Rosso di Montalcino is savory and sweet, with a cascade of rose petals, wild herbs and crushed blackberries. It is juicy and pure in style, with masses of ripe red and blue fruits swirling throughout. It tapers off with medium length. A raspberry and spice staining leaves a pleasantly chewy sensation.

Eric Guido - September 16, 2024
