

ST. FRANCIS WINERY & VINEYARDS

Sonoma County Pinot Noir 2022

93 Points

Finding Pinot that is both delicate and satisfying at \$30 is an accomplishment, whereas such a find at \$22 borders on astonishing. This offers pure notes of cherry, red raspberry, and pomegranate with a nice little whiff of spice from 20% new French oak. Neither candied nor astringent, this clearly results from a series of good decisions made on behalf of excellent fruit
