## CHÂTEAU LA NERTHE

*Prieuré de Montézargues Tavel Rosé 2024*

# 93 Points

This is a bit lighter in both color and palate weight than most Tavel rosés, but it is quite generous in flavor, with fruit recalling ripe wild strawberries and pie cherries. The wine's acidity is so finely interlaced with the fruit flavors that it doesn't stand out as a distinct element, yet it continues to provide lift and drive to the flavors through a persistent and proportional finish.
