Comtes de Champagne Rose 2013

97 Points

The 2013 Comtes de Champagne Rosé is a wild, exotic wine that is going to need at least several years to come together. It is the sort of wine that only develops in bottle. Tasted from a trial disgorgement, the 2013 is super-impressive and very promising, but it's also an infant.

Antonio Galloni - April 8, 2025
