LA CHAPELLE HERMITAGE

La Chapelle Hermitage Rouge 2023

93 Points

Glossy red fruit, fresh violet, rose petal and leafy traces introduce the intricate 2023 Hermitage La Chapelle. Crushed rocks and jasmine scents add more aromatic layers. Fragrant and expressive, the medium- to full-bodied 2023 shines with elevated flavor concentration, neatly accompanied by sleek tannins and a bright acidic backbone. This is an inviting, upfront delicious La Chapelle coming with secure aging potential.
