

ZIND-HUMBRECHT

Muscat Turckheim 2022

90 Points

The 2022 Muscat Turckheim includes the grand cru Goldert grapes that didn't go toward a grand cru that year and also grapes from Gueberschwihr. Pure, fresh, bright and ripe on the coolish and aromatic as well as stony/herbal nose, this is a juicy, quite intense and elegant Muscat with a certain power but even more fruit intensity. This is a bit tannic in the slightly bitter finish.
