ZIND-HUMBRECHT

Pinot Gris Clos Jebsal 2022

97 Points

Welcome to the wild side of pinot gris, but don’t imagine for a second that this is a lush wine. In spite of all the power, this is super-cool and tense. If you have the patience, then let yourself sink into this incredibly dense and compact dry wine. Massive dark minerality in the extremely long finish.

James Suckling - May 30, 2024
