

## **ZIND-HUMBRECHT**

*Riesling Clos Windsbuhl 2022*

# 97 Points

At once powerful and crystalline, this densely structured dry riesling is made for the long term. Extremely lemony and salty on the medium- to full-bodied palate, then so compact at the very long, driving finish, which is as pointed as a rapier. The last riesling harvested in this vintage, but with the lowest alcohol and the highest acidity. From biodynamically grown grapes.
