

ZIND-HUMBRECHT

Riesling Sommerberg Grand Cru 2022

97 Points

The very youthful, slightly flinty nose barely hints at the beauty of the more open, medium-bodied palate, which has concentrated, extremely fine and nuanced peach fruit. Then comes gigantic stony minerality that drives the super-long and focused finish. Limited production due to hail damage to part of the producer's holding. From biodynamically grown grapes.

James Suckling - May 30, 2024
