

## **ZIND-HUMBRECHT**

*Gewurztraminer Rangen de Thann Clos St  
Urbain 2023*

# 99 Points

It's hard to imagine how a dry white wine could be more concentrated than this Alsace gewurz. Mind-blowing smokiness and spices, and the wine is focused in a way that is absolutely abnormal for this grape. The interplay of saltiness, delicate bitterness and restrained richness is unbelievable.
