THE TASTING PANEL

JACQUES DUMONT

Vouvray AOP 2023

91 Points

Chenin Blanc from Vouvray can be a terrific crowd-pleaser, as in this instance. Faintly floral aromas get it off to an appealing start, and flavors of orchard fruits are enhanced by a faint streak of wild honey that is counterbalanced by refreshing acidity. Vouvray would be much more popular if consumers could tell in advance how sweet the wine would taste—and if more renditions were just slightly off-dry like this delicious and versatile rendition.
