THE TASTING PANEL

MULLAN ROAD

Royal Slope Chardonnay 2023

93 Points

This Chardonnay from the Washington State outpost of the Cakebread family shows excellent purity of fruit recalling peaches and apples. Stylishly subtle accents of baking spices, toast and vanilla are well measured in relation to the wine's medium-bodied profile, keeping it fresh and enjoyable for sipping as an aperitif but also providing a bit of added structure for enjoyment at the table.
