

## DOMAINE FERRET

*Pouilly-Fuissé Clos des Prouges 2023*

# 92 Points

The 2023 Pouilly-Fuissé Clos des Prouges, which lies on marl soil, has a tensile and delineated nose, crushed stone permeating the yellow fruit, fresher than the Clos de Jeanne cuvée. The palate is edgy on the entry, a little creamy in texture yet complex, with palpable mineralité on the saline finish. The old vines, around 75 years of age, really impart complexity to this vintage.
