DOMAINE FERRET

Pouilly-Fuissé 2023

90 Points

The 2023 Pouilly-Fuissé—a blend of 50 plots around Fuissé, about half on limestone soils aged in barrel for 18 months (ten months in barrel and eight in stainless steel)—has a clean, precise bouquet. Though not amazingly complex, it conveys a sense of tension. The palate is well balanced with a slightly tangy entry, fine weight, orange zest and light spicy notes and plenty of sapidity on the finish. Just a delicious Pouilly-Fuissé.
