Te Muna Road Vineyard Pinot Noir 2024

92 Points

The 2024 Pinot Noir is from the Te Muna Road vineyard in Martinborough, on New Zealand's North Island. On the nose, the wine is deeply aromatic, with spiced cherry, blood plum, new leather and star anise. In the mouth, the wine is concentrated and dense—powerful in structure and shaped by French oak—well matched but pronounced. This is a fantastic wine. Give it a couple of years prior to opening, although it certainly drinks well now!
