

CABREO

Il Borgo Toscana IGT 2022

94 Points

Deep and layered, this wine presents dark cherries, plum skins, licorice and iodine, along with hints of balsamic and an earthy, mushroom-like undertone. It is structured and persistent, featuring ripe yet compact tannins and succulent fruit. The full body boasts a velvety texture throughout, culminating in a long, balanced and complex finish.

James Suckling - September 24, 2025
