

SEQUOIA GROVE

Napa Valley Cabernet Sauvignon 2023

92 Points

One of the more consistent, affordable Napa Valley Cabs, Sequoia Grove has hit the mark with its 2023 Cabernet Sauvignon, crafting a terrific value. Sourced primarily from the winery's two Rutherford vineyards, it offers up hints of violets, blackcurrants and black olives on the nose, while the medium- to full-bodied palate features ample concentration, silky, tight-grained tannins and a long, mouthwatering finish.
